During a party for Batman's crime-fighting anniversary, the Riddler appears and nabs a golden calf filled with money for charity. His next target is the Gotham City Bank, which he floods for an underwater robbery. Although Batman and Robin try to stop him, the villain makes a clean getaway, leaving only a final riddle that stumps the Caped Crusaders. They discover all too late that his next move is an attempt to destroy them, this time with deadly quicksand disguised as strawberry icing atop a giant cake. "Batman's Anniversary" marked The Riddler's only appearance this second season, with THE ADDAMS FAMILY's John Astin replacing Frank Gorshin due to the latter's salary demands. This anniversary was broadcast 13 months after the show's debut, and this Riddler script, the only contribution from William P. D'Angelo, essentially carries on the Puzzler characterization done seven weeks before by Maurice Evans, a series of puzzles rather than riddles to confound the Caped Crusader, even once referring to himself as 'The Prince of Puzzlers.' Even if Gomez Addams isn't anyone's idea of a decent Riddler, the plot at least is an improvement over the aviation themed Puzzler piece, this Riddler interrupting Batman's festivities to commit a series of robberies to accumulate \$3 million to purchase a Demolecularizer from its impoverished inventor, Professor Avery Evans Charm (Martin Kosleck), refused funding due to his being a high school dropout. The initial Bat fight takes place underwater in a 'bank wet,' and the death trap finds the Dynamic Duo drowning but not getting wet atop an anniversary cake, sinking in quicksand disguised as icing. Byron Keith makes the 8th of his 10 appearances as Mayor Linseed, and silent screen comedian Eddie Quillan pops in for a welcome cameo as the Newsie who sells Batman a paper containing The Riddler's latest puzzle. The Riddler (John Astin) returns for the first time in season two.

I personally found watching John Astin playing The Riddler a rather awkward experience. It is all good and well that he was trying to be like Frank Gorshin but he or the director pushed this issue so strongly that Astin finally gets on the nerves of the viewer. Also, the underwater fight scene just looks stupid.

But there are other things to enjoy in this two-parter.

The 1966 Batman series has no stinkers (unlike some other noted cult 1960s TV shows I love) and if one element (like Astin) does not click you simply centre your attention on other elements of the series (like West, Ward, the Batmobile, the henchmen, the henchwomen, the music, the sets, the colour, etc).

Deanna Lund plays the Riddler's assistant but you will have to wait until the very end of part two to see her do anything of interest. In this same year (1967) Lund would be at 20th Century Fox studios (again) filming the Land Of The Giants pilot (aired in 1968).

In a nutshell, if you just want to see Adam West and Burt Ward (not Astin)...you will have a ball with this two-parter. a5c7b9f00b
